Side 1

80 mils thick  
Fully Reversible  
UV Blockers Throughout

Side 2

Top

## **Thermal Set Isolation Mat Top**

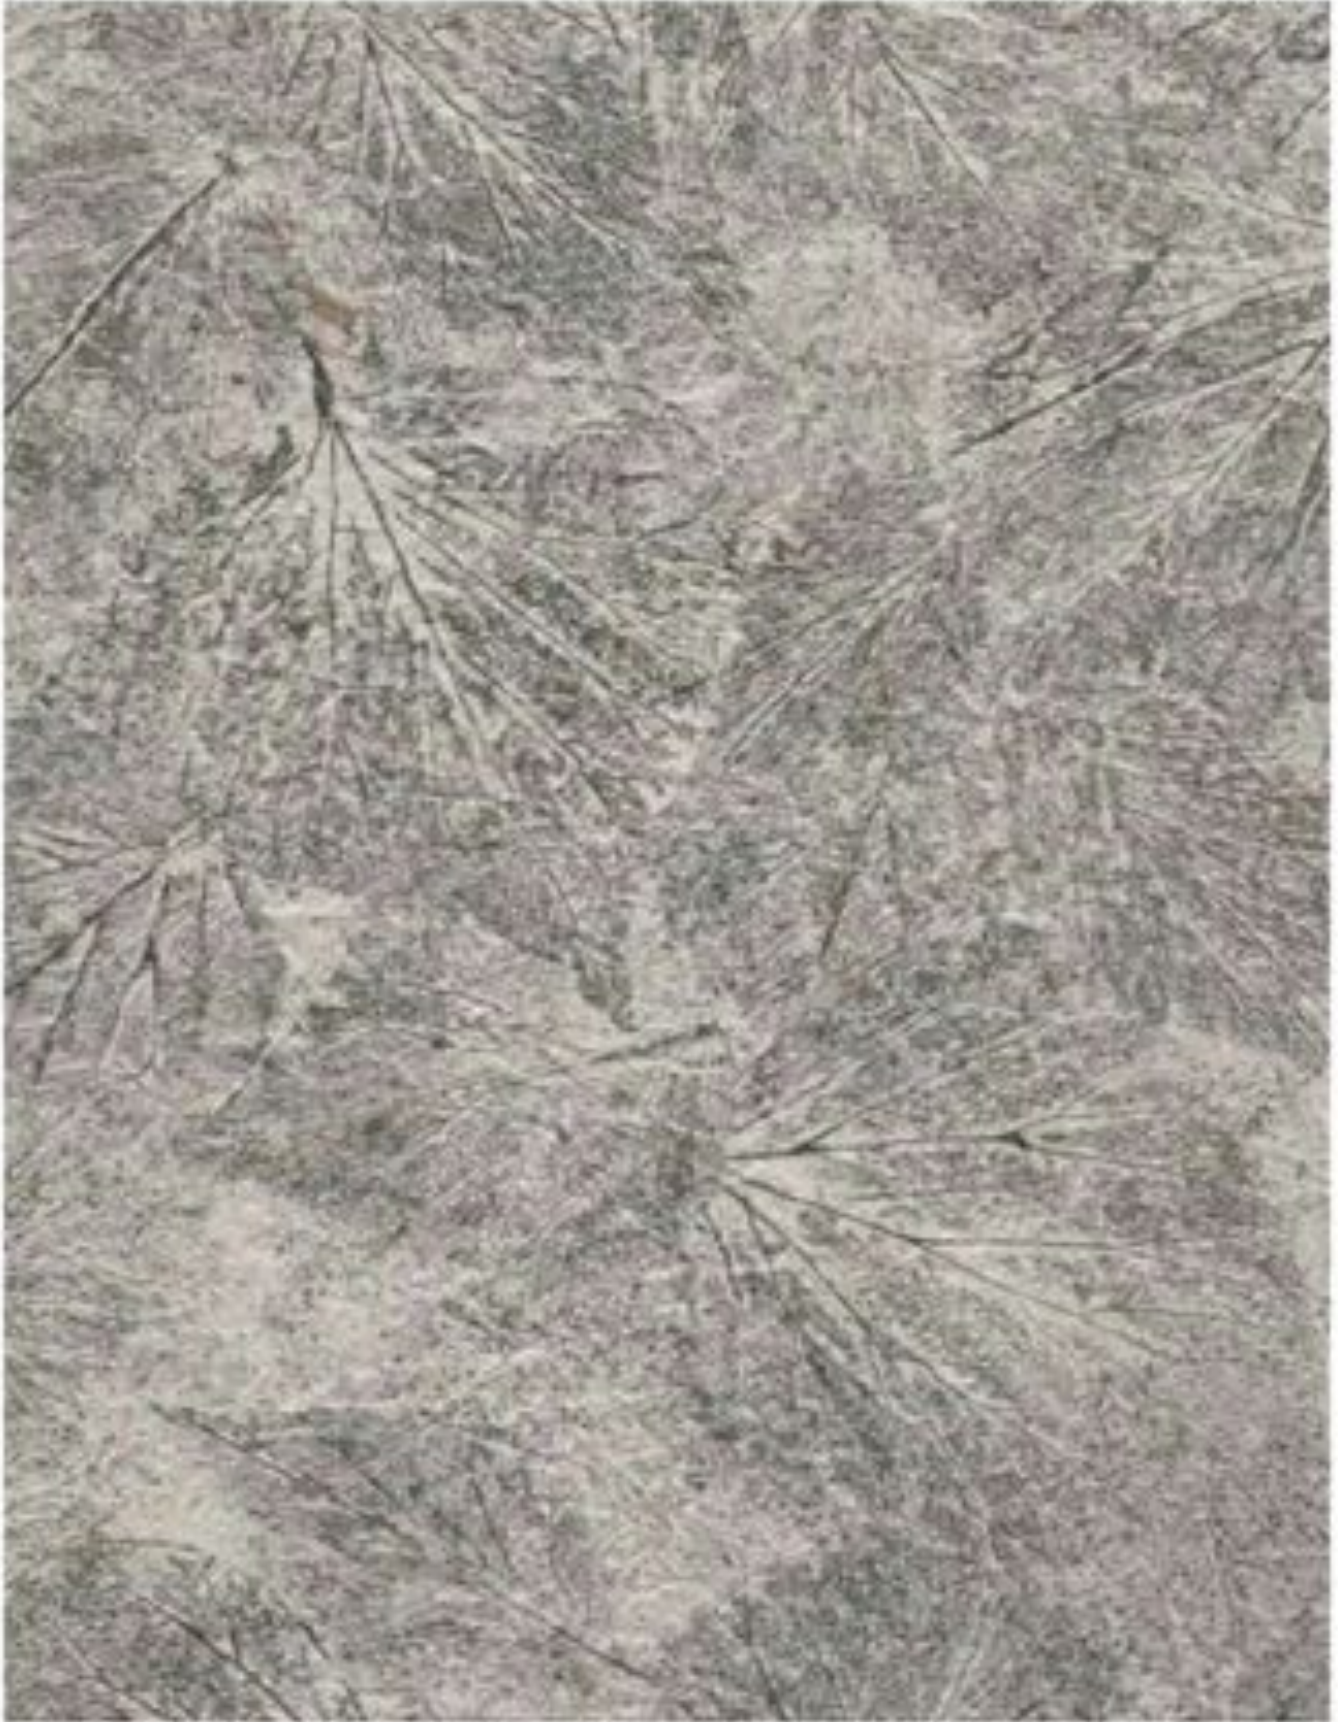

- Increases mortar bonding surface for a superior adhesion of the tile mortar bond
  - Reduces direct mortar contact
  - Relief edged for ease of welding
  - Removable for detail welding

Bottom

## **Isolation Cloth Bottom**

- Increases adhesive bonding surface for a superior adhesion to substrate performance
- Removable for enhanced detailing and elongation
  - Adds deck and adhesive filtering qualities for extended life
